Parallel Printing Programmes –

How to join in.....

What to do if you would like to take part:

1. Read the 'small print' below to make sure you are happy with the arrangements.
2. Email me at debwing-printartist@outlook.com to say you would like to join a programme, giving the date of the programme you would like to join. (DO NOT pay any money at this stage.)
3. I will email back to say if I can reserve a place for you on the programme – as there are a maximum number of places.
4. When I have reserved your place, please arrange payment and let me know you have paid.
5. I will confirm payment and your place on Parallel Printing.

Full cost of taking part - £85 (£80 if you pay by bank transfer – the increased cost is to cover PayPal charges).

If you are unable to afford the full cost and really want to take part - £60

If you are still struggling to afford to join in, please tell me in your email so that I can try to help you to take part.

3. *By taking part, you agree that your email address can be shared with the other printers on the programme (when I send out further details, Zoom links etc). You also agree that I can use images of your work during the programme on social media (without using your name).*
4. *It is your responsibility to make sure you have the equipment to take part.*

7. *I cannot be held responsible for any technological issues connected with Zoom/FB that are beyond my personal control (I have never had any problems previously that have affected the delivery of the programme!).*
